ABOUT ME

I am a sophomore at Rutgers, The State University of New Jersey, pursuing a double major in Computer Science and Mathematics. I am actively seeking research opportunities and industrial internships to further develop my skills and gain practical experience. Proficient in Python, Java, and C++, I have a strong interest in machine learning, software engineering, and related fields. My goal is to contribute to innovative projects by leveraging my technical expertise and passion for AI and software development.

EDUCATION

Rutgers University - New Brunswick, New Brunswick, New Jersey, USA *2024 - 2027 (anticipated)*
Computer Science and Mathematics

- Pursuing a Bachelor of Science with a double major in Computer Science and Mathematics.
- Relevant coursework includes Data Structures, Discrete Mathematics, and Probability Theory.
- Actively participating in academic and extracurricular projects to enhance technical and analytical skills.

SKILLS

Programming Languages: Python, C++, Java, JavaScript, HTML, CSS, LaTeX
Frameworks & Tools: PyTorch, NumPy, Pandas, Matplotlib

EXPERIENCE

Volunteer *Shanghai, China*
Association for Computing Machinery (ACM) *Dec 2023*

- Assisted with event logistics for the ACM Asia Finals.
- Coordinated participant registration and provided technical support during the event.
- Contributed to a smooth and successful competition experience for all participants.
